Summary: "Wise and outstanding advice for tough economic times---The Adversity Paradoxshows you how anyone can turn adversity into advantage . . .and then some!" "--Harvey Mackay, author of the New York Times #1 bestsellerSwim with the Sharks Without Being Eaten Alive"As Griswell and Jennings point out, there really is no substitute for hard work. We have to build endurance of character the same way we build endurance of speed or strength, and it always pays off."--Wayne Gretzky,NHL Hall of Fame player, businessman, and coach"The leaders of today face real challenges. Many challenges are challenges of adversity. Determined leaders learn from adversity and gain character and a set of skills that propel them into the future. This is the book to read if you want to get real insights and prepare for the hurdles that we all face in our careers from time to time."--Ram Charan,best-selling author and acclaimed management philosopher"If you're going to be really successful in business, you have to have the confidence that you can do what others see as impossible. The Adversity Paradoxgives readers the chance to gain that confidence from facing their own struggles, take inspiration from the victories of others, aspire to courage and character, and arm themselves with the optimism required to turn big ideas into big realities."--Wayne Huizenga, award-winning entrepreneur and CEO, and founder ofWaste Management, Blockbuster Entertainment, and AutoNation"The overriding message of this book is consistent with my belief that every one of us is capable and deserving of success and fulfillment in life, no matter what adversity we encounter. I am so glad to see these themes of self improvement, responsibility and positive thinking being recommended to business readers."--Dr. Robert Schuller, author and founder...
