 Few Christians see what is coming. Misled by false doctrine, false
 shepherds, and idolatry of heart; causing millions of Christians
 to fall asleep at the darkest hour, ignorant concerning Christ's
 teachings addressing the end of the age sequence. The birth
 pangs that are now upon us will increase, leading to
 persecution, chaos, and the final move of God. Then final
 judgment will fall upon America, igniting the Great Tribulation.
 Jesus was clear on when the rapture would occur: Immediately
 after the tribulation of those days. They will see the Son of man
 coming on the clouds of heaven with power and great glory;
 and he will send out his angels with a loud trumpet call, and they
 will gather his elect from the four winds, from one end of heaven
 to the other. This message will help the sincere Christian get
 ready—God's way, to be guided to safety and be used of him on
 the day that He acts!.

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
