*This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Excerpt: . . . some of your readers would like to hear about our kitty and a little squirrel. Where I live there are a great many gray squirrels. We have a cat we call Mr. Kit ; and he likes to play with them. One morning when we were at breakfast a little squirrel jumped upon the window-sill, and looked in at the window. I went upstairs and brought Kit down; but the squirrel did not jump down; instead of that he put his nose right against the window, and Kit did the same, and they looked at each other through the glass. So I let Kit out, and they played together for a long while; then I let the squirrel in, and he curled up on my sisters bed and slept until dinner-time. Your interested little reader, ALICE BoiT.
