WHATS GREAT ABOUT YOU FOR ALL CHILDREN IN THE WORLD

Wheatmark. Paperback. Book Condition: New. Paperback. 80 pages. Dimensions: 10.9in. x 8.3in. x 0.3in. Based on the International Program Taught to Thousands in 8 Languages. Simple yet profoundly transformative tools trigger self motivation in children by drawing out their natural strengths. Believing in themselves, children change their lives on their own initiative. Children have improved their cognitive, emotional, behavioral, and social skills. Many children also shared the program with others who asked to learn. Ideas and activities from this program are now in a book that youth, ages 6 to 17, can use on their own alone or in class. And adults can use concepts to help children as young as 4 years old. Fun and thought-provoking activities for your children to discover what makes them great by focusing on their natural strengths and more. Ways to recognize the good qualities in others. Stories written by children in Africa who positively changed their lives after using this program. A poem and a daily list, encouraging children to apply what theyve learned. Tips for ways teachers, parents, and caring adults can use this colorfully illustrated book. GreatChildWorldwide. org for more information Our children were able to gain and learn so much from this program, and our teachers were pushed to stretch and expand their work with the children.
