A painstaking and even-handed tour of the politics and the strategic mistakes, the battles and the protests, the lives lost and the lessons learned." The Arizona Republic "This book has not only answered so many questions for me, but it has encapsulated the entire scope of the war into such easily digested segments without ever once feeling pedantic. They show the North Vietnamese as well as the American viewpoints, and the successes and failures of both sides. No one book can properly tell the history of the Vietnam war, but Mr. Zimmerman and Mr. Vansant's graphic history is a valuable introduction to the conflict." Larry...
