## THE RETURN OF THE PRODIGAL SON: STUDY COURSE

Darton, Longman Todd Ltd, United Kingdom, 2008. CD-Audio. Book Condition: New. 136 x 124 mm. Language: English . Brand New. A chance encounter with a reproduction of Rembrandt's painting, *The Return of the Prodigal Son*, catapulted Henri Nouwen into a long spiritual adventure. In his highly-acclaimed book of the same title, he shares the deeply personal meditation that led him to discover the place within which God has chosen to dwell. This Lent course, which has been adapted from the book, helps us to reflect on the meaning of the parable for our own lives. Divided into five sessions, the course moves through the parable exploring our reaction to the story: the younger son's leaving and return, the father's restoration of sonship, the elder son's resentment and the father's compassion. All of us who have experienced loneliness, dejection, jealousy or anger will respond to the persistent themes of homecoming, affirmation and reconciliation. Each session contained on the CD includes extracts from the book by Henri Nouwen, and background information about Henri Nouwen's life, as well as suggestions for reflection. Notes for Group Leaders and written questions for group discussion are also included in the enclosed booklet.
