THE LOST SYMBOL

Transworld Publishers Ltd, United Kingdom, 2010. Paperback. Book Condition: New. 178 x 110 mm. Language: English . Brand New Book. WHAT WAS LOST WILL BE FOUND. Washington DC: Harvard symbologist Robert Langdon is summoned at the last minute to deliver an evening lecture in the Capitol Building. Within moments of his arrival, however, a disturbing object - gruesomely encoded with five symbols - is discovered at the epicentre of the Rotunda. It is, he recognises, an ancient invitation, meant to beckon its recipient towards a long-lost world of hidden esoteric wisdom. When Langdon s revered mentor, Peter Solomon - philanthropist and prominent mason - is brutally kidnapped, Langdon realizes that his only hope of saving his friend s life is to accept this mysterious summons and follow wherever it leads him. Langdon finds himself quickly swept behind the facade of America s most historic city into the unseen chambers, temples and tunnels which exist there. All that was familiar is transformed into a shadowy, clandestine world of an artfully concealed past in which Masonic secrets and never-before-seen revelations seem to be leading him to a single impossible and inconceivable truth. A brilliantly composed tapestry of veiled histories, arcane icons and enigmatic codes, The Lost Symbol is an intelligent, lightning-paced thriller that offers surprises at every turn. For, as Robert Langdon will discover, there is nothing more extraordinary or shocking than the secret which hides in plain sight.
