

## God's World: Biblical Theology of the Environment

---

By Ken Gnanakan

SPCK Publishing. Paperback. Book Condition: new. BRAND NEW, God's World: Biblical Theology of the Environment, Ken Gnanakan, Today the environmental crisis is no longer a matter of concern for a few, but for everybody. It concerns global survival. God's World is a study guide looking at themes from the Old and New Testaments involving creation, land and the environment, relating them to a contemporary context. Topics covered include the meaning of man's 'dominion' over the earth, the laws guiding the Israelites care of the land, the new creation through Jesus, eco-feminism and evangelical Christians and the environment. The book combines a discussion of the theology and ethics of the environment as well as looking at a practical, positive response. There is a useful glossary of terms, plus suggestions for discuss and further study.

### Reviews

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*
