Apophenion: A Chaos Magic Paradigm

By Peter J. Carroll

Mandrake of Oxford. Paperback. Book Condition: new. BRAND NEW, Apophenion: A Chaos Magic Paradigm, Peter J. Carroll, Apophenion attacks most of the great questions of being, freewill, consciousness, meaning, the nature of mind, and humanity's place in the cosmos, from a magical perspective. Some of the conclusions seem to challenge many of the deeply held assumptions that our culture has taught us, so brace yourself for the paradigm crash and look for the jewels revealed in the wreckage. This book contains something to offend everyone; enough science to upset the magicians, enough magic to upset the scientists, and enough blasphemy to upset most transcendentalists.
