Aside from lending unique and delicious flavor to our food, these spices have some incredibly powerful health benefits that make their consumption ideal for boosting our health too. This ability of spices to make our food both tasty and healthy is the reason why they are found in all kinds of cuisine. There are dozens of spices that work wonders for one's health; this book discusses in detail a truly beneficial little spice called fennel. This crispy and sweet tasting herb is used to enhance Mediterranean cooking and is frequently linked to Italian cuisine. It comes highly recommended as a part of your stock of fresh vegetables for the days between autumn and spring. The great thing is that the usefulness of this herb does...
