Inner Traditions Bear and Company. Paperback. Book Condition: new. BRAND NEW, The Lost History of the Little People: Their Spiritually Advanced Civilizations Around the World, Susan B. Martinez, All cultures have stories of the First People, the "Old Ones," our prehistoric forebears who survived the Great Flood and initiated the first sacred traditions. From the squat "gods" of Mexico and Peru to the fairy kingdom of Europe to the blond pygmies of Madagascar, on every continent of the world they are remembered as masters of stone carving, agriculture, navigation, writing, and shamanic healing--and as a "hobbit" people, no taller than 31/2 feet in height yet perfectly proportioned. Linking the high civilizations of the Pleistocene to the Golden Age of the Great Little People, Susan Martinez reveals how this lost race was forced from their original home on the continent of Pan (known in myth as Mu or Lemuria) during the Great Flood of global legend. Following the mother language of Pan, Martinez uncovers the original unity of humankind in the common roots of key words and holy symbols, including the scarlet biretta of Catholic cardinals, and shows how the Small Sacred Workers influenced the primitive tribes that they encountered in the post-flood diaspora, leading to the rise of civilization. Examining the North American mound-culture sites, including the diminutive adult remains found there, she explains that these stately mounds were not burial sites but the sanctuaries and homes of the Little People. Drawing on the intriguing worldwide evidence of pygmy tunnels, dwarf villages, elf arrows, and tiny coffins, Martinez reveals the Little People as the real missing link of prehistory, later sanctified and remembered as gods rather than the mortals they were.
