Brand New Book ***** Print on Demand *****.By reading College You Can Afford, you will learn how to: Earn credits toward your college degree in high-school with Dual Enrollment Lower the cost of your Bachelor s or Associate s degree Gain credit through test taking and portfolios Maximize your study time Take the first step toward your career by finding mentors Write a stellar resume and cover letter Sound good? On top of that, all of this can be done from home, around your schedule. Because I used the exact same steps outlined in this book, I m not just assuming these methods will work - I ve tested them myself and with the students I now coach, and know they will. I earned my fully-accredited college degree in three years, on a small budget, and graduated debt free. On top of that, I was able to study from home, and work at the same time. After reading College You Can Afford, you ll be able to choose the degree path that works best for you, too. - Libby.
