Animal Planet, United States, 2016. Hardback. Book Condition: New. 333 x 290 mm. Language: English . Brand New Book. Animal Planet s definitive atlas of animal life takes readers on a continent-by-continent and habitat-by-habitat passport to adventure! What is a habitat? How is the North Pole s animal life different from the South Pole s? How and why do animals adapt to their environment? Is a food web different from a food chain? Animal Planet Animal Atlas answers all of these questions and many more. Through detailed maps, fun infographics, simple charts, and Find It! Fact boxes readers can track their favorite animals across the globe, learning about how animal habitats are affected by climate, food and water availability, migration, and human environmental impact.
