Reviews

Very helpful for all class of people. Sure, it is actually play, nonetheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Carole McClure)

MISSIONARY MESSAGES FROM A CALL TO BRAZIL

Joan Prinjinski, United States, 2006. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.What would you do if in the later years of your life you felt God calling you to mission work? How would you respond? How would you prepare? *Missionary Messages from a Call to Brazil* is the account of a middle-aged nurse who accepted the call to minister in Brazil, a country that was at the time in a state of great economic instability. Florence prepared by attending seminary. Yet her seminary training and years of being a Believer could not have adequately prepared Florence for the realities of life in the mission field in Brazil. Many books on the market exploit the riches and attractions of Brazil - her beaches, fashions, music, and the extravagance of Carnaval, but few books look deeper. Brazil, the tenth largest economy in the world also has the largest population of wretchedly poor people living within its borders. Florence struggled, practically alone, to help the poorest of the poor, experiencing poverty and hardships herself. Like many who have tried to improve the desperate conditions of the poor in Brazil, Florence found there was often little she could do. Yet she gained valuable insight regarding the cultures of both the affluent and the poor, insight that is recorded in the missionary letters that she sent out. Her frank letters touch on many troubling issues that will resonate with anyone who has attempted intercultural ministry. Who should read this book? 1. People in congregations that support missionaries: heads of missions task forces, women s groups, pastors, and church school leaders. If you hold such a position, this book will provide an eye-opening look at the needs of missionaries on the field. 2. People...
