Mariner Books, United States, 2013. Paperback. Book Condition: New. 204 x 134 mm. Language: English . Brand New Book. A New York Times Notable Book Nuanced and smart . . . Serber knows that neglect or disconnect doesn't always turn into trauma or damage. Life isn't algebra. Which events lead to pain, and which to growth and awareness, remains unpredictable. The one reliable truth is that mistakes illuminate the most, albeit with fractured light. The New York Times Book Review Mothers and daughters ride a familial tide of joy, pride, regret, guilt, and love in these acclaimed stories of flawed, resilient women. Wheat bread and plain yogurt become weapons in a battle between a teenage daughter and her mother. An aimless college student, married to her much older professor, sneaks cigarettes while caring for their newborn son. On the eve of her husband's fiftieth birthday, a pilfered fifth of rum, rogue teenagers, and an unexpected tattoo has a woman questioning her place in her children's lives. And we follow through two decades the family created when capricious, magnetic Ruby, an ambitious college student, becomes a single mother to cautious daughter Nora in 1970s California. Shout Her Lovely Name is a funny, bittersweet (Vanity Fair) book that announces the arrival of a stunning new writer. Powerful and disquieting . . . Serber writes with exquisite patience and sensitivity, and is an expert in the many ways that love throws people together and splits them apart, often at the same time. The Wall Street Journal Always, Serber's writing sparkles: practical, strong, brazenly modern, marbled with superb descriptions . . . Take my word: Shout Her Lovely Name will reach inside readers and squeeze. On second thought, don't take my word. Read these lovely stories....
