Brand New Book ***** Print on Demand *****.Excerpt from Little Pieces: Verse and Prose Knowing within myself the manner and occasion of the publication of these Little Pieces, it is not without feelings of regret that I offer them to the Norfolk public. What I mean by manner, will be readily perceived by the reader, who cannot fail to discover great inexperience, immaturity, and every error denoting a feverish essay, rather than its accomplishment. What I would signify by occasion must remain unexplained, as its definition would touch a sad note even in disinterested hearts, all to no purpose. Most of the pieces embraced in this collection, written in intervals, during the last two or three years, have appeared from time to time, in periodical publications. The rhymes are all unstudied - evoked by some incident of the hour - and may find easier way to the heart than had they been premeditated. With these preliminary remarks I will bid the reader farewell, and leave my little work to its fate - to speak for itself.
