Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 241 x 190 mm. Language: English . Brand New Book ***** Print on Demand *****.The Holy Scriptures reveals the truth about highly controversial matters concerning our governments, religions and doctors, the three pillars of society. Needless to say, there are those who are not overly thrilled with this book. For many years now, Buddhists, Hindus, Jews, Christians, Muslims and Catholics have been conditioned with lies and misinterpretations. And their ministers have made even bigger mistakes learning false teachings. Consequently, most people don't want their moral and ethical beliefs challenged, as it could end up showing how wrongly and foolishly they've spent their lives. Concerning our governments that were initially fortified with certain industries, today the economy runs everything. Under the guise of democracy, our founding forefathers not only wanted to establish and strengthen the new nations, but increase their wealth as well. And this is what our constitutions, legislatures, and state and federal organizations have been based upon. Consequently, whenever a new idea or product comes along that could potentially hurt the economy, it's considered a threat to the national security and dealt with harshly and unfairly, usually in a covert manner. Concerning our health, there are two schools of thought. One school holds to allopathic (synthetic) medicine, while the other school is of the mind that illnesses are best treated naturally. Over the last hundred years, doctors from both schools have attained a god-like status and accordingly make very lucrative livings. Not surprisingly, most doctors aren't interested in learning how to cure illnesses naturally, using nothing more than lemon juice, which is inexpensive and easy to self-administer. Awareness of this godsend would mean an unimaginable loss of income to doctors and the government. Worldwide, people are fed up with...
