

Who?jesus: Christianity: Then, Now Later

By Brennan McMahon

Createspace, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.This book serves as an illustration of my crash course in our faith, in Christianity as a whole, over the past three years. For 30+ years, I lived a life for me and the world, letting God tag along (especially when I needed something that nature couldn't deliver.) Then I woke up. We are faced with a crazy amount of intolerance - yet we are called intolerant. We are faced with an insane amount of hatred - yet we are called haters. We are faced with an almost unbearable amount of labeling and judgment - yet we are called judgmental. We are faced with forced secularism in our daily lives while a godless society tries to stamp out the fire of the Holy Spirit. Enough is enough. If for no other reason, one would have to think there's something to this whole Christianity business since the world, the sold-out mainstream media and other major religions all come together to finger-point and cast doubt on our faith in what I consider the longest smear campaign in the...

Reviews

I actually started looking over this publication. It really is really interesting through studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You won't really feel monotony at any moment of your time (that's what catalogues are for concerning when you ask me).
