Taylor & Francis Ltd. Paperback. Book Condition: new. BRAND NEW, Cooperative Learning in Physical Education and Physical Activity: A Practical Introduction, Ben Dyson, Ashley Casey, There is a need in physical education for new, research-informed, practical ways of engaging children and young people in lifelong physical activity. This book introduces Cooperative Learning, a pedagogical approach to engaging students, from the practitioner's perspective. Written by authors with over 40 years' experience as teachers and researchers, the book helps teachers and trainee teachers to master research-informed strategies for teaching physical education across elementary, middle and high school settings. Using clear language, and full of real-life examples, unit and lesson plans, activities and tasks, this is essential reading for all students and professionals.
