

Architectural Graphic Standards for Architects, Engineers, Decorators, Builders and Draftsmen, 1932 Edition A Reissue of a Design Classic

By Charles George Ramsey

Wiley. Paperback. Book Condition: New. Paperback. 248 pages. Dimensions: 11.1in. x 9.2in. x 0.7in. The reissue of a design classic--the book that revolutionized the practice of architecture. When it was published in 1932, this cornerstone edition of Ramsey and Sleepers Architectural Graphic Standards was the very first book to present the accepted architectural practices of the time in a clear and accessible graphic form. Now finally available in paperback, this landmark reference still has much to offer us today, with beautifully illustrated practical information on traditional architectural standards, methods, and materials that cannot be found elsewhere. Covering all facets of building construction from foundations to interior finishes, it will be valued by a new generation of architects, design professionals, and others involved in the restoration and renovation of historic buildings as well as anyone with an interest in architectural history. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Otis Wisoky**

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
