Brand New Book ***** Print on Demand *****.I beg your pardon, but it's important to state that an idiot cannot raise a champion. It takes a champion to raise another champion. This has nothing to do with your level of formal education, or family background. It is not even about how rich you are at the moment or what your bank statement reads, it goes beyond those things. It has more to do with you being able to answer the question: Are you a champion? If you don't consider yourself a champion, you might as well just drop the case. Don't push it further please. Let's just change the topic. However, if you can boldly raise your hand in that corner as a champion, believing in your God, trusting in His supernatural endowment upon you, then, let us go together. It's going to be a beautiful lovely journey by God's grace. Please, get set; fasten your seat belt, as we travel to unfold systematically, the lifestyle of the champion raising champions.
