DELUSION DREAM

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . In a sense it is a dream-story, but no single dream ever began to be so true to the typical nature of dreams; it is a clinical picture, but I can think of no clinical picture that had its natural human interest so enhanced by a moving romance. Gradiva might be an introduction to psychoanalysis, and is better than anything else we can think of to popularize it. It might be added that while this romance has been more thoroughly analysed than any other, and that by Freud himself, it is really only one of many which in the literature of the subject have been used to show forth the mysterious ways of the unconscious....
