Absolutely essential study pdf. It is written in basic words and phrases rather than hard to understand. I am just happy to tell you that this is basically the finest pdf I actually have studied during my personal lifestyle and can be the very best publication for actually.

Full Circle, New Delhi, India. Softcover. Book Condition: New. "I am just an ordinary man, just like everybody else. If there is any difference, it is not of quality; it is only of knowing. I know myself; you dont know."As far as our beings are concerned, I belong to the same existence, I breathe the same air. You belong to the same existence, you breathe the same air. You just have not tried to know yourself. The moment you know yourself, there is no difference at all."It is just like I am standing and looking at the sunrise and you are standing by my side with closed eyes. The sun is rising for you too, just as it is rising for me."It is so beautiful and so colorful not only for me, for you too. But what can the sun do? You are standing with closed eyes. That is the only difference. Is it much of a difference?"You just have to be shaken and told, just open your eyes. It is morning, the night is over.
