Filesize: 8.11 MB

Reviews

It is really an remarkable book which i have ever go through. It can be writter in simple terms and not difficult to understand. I am just effortlessly can get a enjoyment of reading a composed pdf.
(Dr. Lily Wunsch II)

GROUND STATE: ODYSSEY OF THE LAST SCIENTIST

[DOWNLOAD](#)

Outskirts Press, United States, 2009. Paperback. Book Condition: New. 231 x 155 mm. Language: English . Brand New Book ***** Print on Demand *****.Science seems to advance more rapidly with every passing year. Yet, some day in the not so distant future, the age of science will reach its peak and begin to fade away. Such is the setting for Ground State. Unbeknownst to most of the world, the last great scientific discoveries are being made at a facility operated by the Committee. The Committee is a secretive government contractor that freely ignores ethics in order to accomplish its goals and to keep its employees in line. Into this environment steps Tracy Stenzel, a bright and humble young woman. Tracy always wanted to be a scientist, but like many brilliant minds before her, she feels stymied by departmental politics during graduate school. As a result, Tracy quits school and accepts a promising position with the Committee. Within a year's time, Tracy is transformed into a cunning and valuable member of the group. However, she has also lost her innocence and all connections with her family. At first, Tracy accepts her new life and all of the sacrifices that go with it. But in time, Tracy becomes depressed, and her orderly way of life falls apart. Only time will tell whether or not Tracy has to make the ultimate sacrifice for her chosen path. Meanwhile, Tracy's co-workers are busily attempting advanced experiments in physics, biology, and chemistry. Some experiments succeed, while others fail miserably. But they all involve Tracy in some way. Ground State is the first novel in the series, Odyssey of the Last Scientist. It is a story filled with suspense, action, and humor. Several important themes are explored in the novel, such as: the dangers of...
