His head was still reeling as he drove home. His fingertips tingled as he remembered the feel of her body beneath his hands. He had just stopped off at Eva s house to drop off the book he had borrowed on behalf of his girlfriend, Shannon. He had ended up in Eva s bed. Something about her had changed in the last few days. He noticed some swift and unmistakable transformation taking place. Stanley s confusion only grows in the next 48 hours, when the police show up at the law firm where he works. Eva is missing and he will become the number one suspect when his DNA is discovered at the crime scene. His brief transgression will begin a chain of events as some dark and relentless force begins to encroach on his life. Adding to his anguish, there is the fog bank that seems to stalk him at a distance and erotic dreams that have him fearing he has lost his sanity along with his integrity.
