Brand New Book ***** Print on Demand *****.Excerpt from White Pine, Vol. 4: Series of Architectural Monographs, a White Pine House for the Vacation Season The solutions, taken as a whole, indicate an almost painful absence of direct, synthetic, logical thought. The competitors showed a disposition to evade the main issues and stress things non-essential; they overtaxed their fingers and under-exerted their brains; in general, they failed in honesty. Nevertheless, out of so many solutions, it was possible to select a sufficient number to justify the White Pine Bureau in its admirable effort. As in all such competitions, there was a wide diversity of conceptions and style, and the committee endeavored to show such catholicity of taste as should do justice to these divergent views. 11 was forced to exclude some sincere and thoughtful efforts on account of a perhaps small but significant indication of a blind spot in the brain, as it was also forced to admit certain others in spite of evident obliquities of intellectual vision. The judges persisted at their task until all were in substantial agreement, their only serious differences...
