ABC/Bolinda Audio, 2016. Book Condition: New. Unabridged. 15 x 13 cm. Four friends. One block of land. No power tools.'One day,' Philip said, 'I'd like to build something bigger . Like a house. We could just buy a block of land, you know, the four of us, and have a go.'It was just an idea. Then it started to take shape. In this frank, funny and thought-provoking memoir, Richard Glover describes how he and his friend Philip and their partners built a house in the bush on weekends. It was a huge and exhausting undertaking . not least because they decided to use mudbricks.'Imagine this - with mudbrick you have a building that is made out of the very earth it stands on . there is another thing: the stuff is free. Once we buy the land we'll have no money left. This way we can get started as soon as we have the block.'In the end it took three years simply to make the bricks. As for the house itself .But the process gave Richard the opportunity to examine things he had never quite reconciled to himself - big things like what it means to be a man, the nature of male relationships, fatherhood - and to challenge himself in the kind of blokey environment he had rejected.Above all, the mud house proved that even if it 'wasn't the ceiling of the Sistine Chapel' there is nothing like the satisfaction of making something with your own hands. This Is An Audio Book. Duration: 338. Reader: Glover, Richard. Number of pieces: 5. CD-Audio CD standard audio format CD-Audio CD standard audio format.
