This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

Ediciones Octaedro. Encuadernación de tapa blanda. Book Condition: Nuevo. ¿Podemos llegar a entender lo que somos, en esta sociedad democrática y laica, sin una clara referencia a la religión? ¿Hasta qué punto la tradición religiosa impone costumbres y modos de vida en la sociedad del siglo XXI? Invitamos al profesorado y a los estudiantes a hurgar en esta influencia desde un punto de vista lúdico y claro; desde elementos tan cercanos y cotidianos al ser humano como la magia, los ritos, la naturaleza, la familia, la sexualidad, la comida, la literatura, la música, la fiesta, el arte, la ciencia y la política. El fin es comprender, reconocer y valorar la importancia de la religión en nuestras vidas, pero también respetar el amplio espectro religioso a través de la conversación, del juego, de la lectura; en una interacción de vivencias y conocimiento mutuo entre la diversidad de culturas que hoy ocupan nuestras aulas.
